# AIRSPACE

## Welcome To Airspace

We design and manufacture inflatables for sports centres, pools and lidos. Based in Tredegar, Wales we have been supplying inflatables, worldwide, for over 20 years.

We only use the very highest quality materials, with no compromise. All seams are double stitched... quadruple in areas of high stress. We supply you with all the equipment you need to run your inflatables, such as blowers and hoses, and a manufacturer's guarantee.

Along with a dedicated account manager we also offer a full site survey and training on operating and maintaining your inflatable.

PIPA compliant, where needed, all our units adhere to safety standard BS EN14960. This promises you a continuously maintained high standard of product design, quality of materials, method of manufacture and a proven record of safety in use.

**Future Lights Aquarun**

**FUTURE  
LIGHTS**  
DUAL LANE AQUARUN

A constant air-flow aquarun that incorporates our interactive games system.

## Game 1

### Lights Out Time Trial

- 1 Four player game. Position 2 players on each side of the dividing wall of the Aquarun.
- 2 Hit start button on score board.
- 3 Light pods will randomly light up on both sides of run - red and green.
- 4 Players must get to the lights as quickly as possible without falling off! If a player falls off they are out of the game.
- 5 The team that puts the most lights out in 1 minute wins – score will be shown and next 2 teams can compete. This can be run as a knock out with the fastest 2 teams facing each other in the final.

## Game 2

### Back To Base Team Trial

- 1 Team game. Divide groups into red and green teams. Game time can be set to last as long as needed. i.e... 10 per team - 3/5 minute game.
- 2 Press the start button on the timer board to initiate a 3 second countdown. 3, 2, 1.....Go
- 3 A random light pod will activate. The first player from each team locates and hits the light pod. Once the light pod has been hit the light will deactivate. The player then jumps off, the scoreboard will show '1'.
- 4 The first light will be activated signalling to the next player to jump on. The next team member has to manoeuvre down the obstacle course locating and deactivating the lit pod as quickly as possible. This process is repeated until time runs out.
- 5 The team with most lights turned off wins! Team scores will be shown on score board, All lights will turn colour of the winning team!

## Game 3

### Chase The Light

- 1 Two players at a time.  
Press the start button on the timer board for 3 second countdown.
- 2 3, 2, 1.....Go!
- 3 All light pods activate – 5 Red, 5 Green on opposite sides.
- 4 The contestants need to make their way down the run tapping the light pods along the way to turn them off.
- 5 The last light pod is on the slide down – tap and splash !
- 6 The time for both teams will be shown on the score board. Keep the scoreboard running throughout the session. Fastest time at end of session wins!

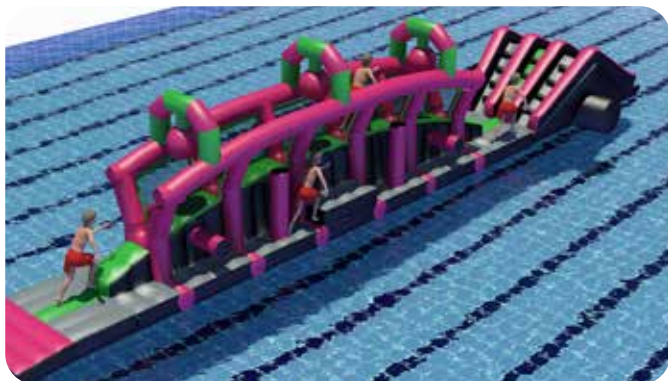

Tri-Lane Aquarun

16.50m

Tri-Lane  
Aquarun

Our largest Aquarun. Left, right or straight down the middle the Tri-Lane allows more users to challenge at a time.

Mini Aquaruns

Not all pools can accommodate one of our full size inflatables so we produce a range of inflatables that will suit a smaller pool's dimensions and depth and are ideal for younger swimmers.

Bongo Beach

Pirate Run

Sealed Aquaruns

Sealed aquaruns have no need for a constant air supply. Simply fill with air using a hand held electric stopper, plug in the stopper and enjoy.

Spira Dash

Octopus Obstacle

Jungle Dash

# Sealed Units

Crab

Turtle

Mini Lobster

Octopus

Bug

Dragon

Our Pop up Play inflatables offer versatility and a more manageable set up operation for such a large unit. Each unit can also be used as a stand alone item if required using easy to fit Velcro panels to isolate each unit. They offer a safe play environment for play sessions and parties and are easy to pack and store.

Bouncer

Jungle Pop-Up Play Interactive

## Jungle Pop-Up Play

Interactive lights and score board are added to the inflatable to add an extra element of play and games.

## Learn & Play

A safe and colourful place for toddlers to play and learn with games and puzzles.
